

CHANGE THE WORLD LOVE YOUR JOB

Operations Internship (m/f/d) (Req: 200004MP)

As a global semiconductor company operating in 35 countries, **Texas Instruments (TI)** is first and foremost a reflection of its people. From the Tler who unveiled the first working integrated circuit in 1958 to the more than 30,000 Tlers around the world today who design, manufacture and sell analog and embedded processing chips, we are problem-solvers collaborating to change the world through technology. By employing the world's brightest minds, TI creates innovations that shape the future of technology. TI is helping more than 100,000 customers transform the future, today. We're committed to building a better future – from the responsible manufacturing of our semiconductors, to caring for our employees, to giving back inside our communities and developing great minds!

Your position would be in the Sales Operations department, an integral sector of TI, giving you the opportunity to be a key team member of below area:

- **Account Pricing**

The **Pricing Team** is a globally organized team, responsible for defining and executing pricing within TI systems and all pricing support activities, including customer negotiations on direct high-level multimillion-dollar Tier 1&2 customers to our vast Mass Market customer base. The Pricing organization works very closely with Sales and Business Units in defining the optimum price to achieve annual revenue targets.
